

Nordic stakeholder meeting on cross-border capacities

The Nordic Energy Regulators will hold a stakeholder meeting on cross-border capacities in the wholesale electricity markets

The meeting will be hosted by the Danish Utility Regulator in **Copenhagen on 3 December 2019 from 10.00-15.30**

Among the topics will be the ongoing process on a bidding zone review, the 70 % minimum criterion for transmission capacity and other market development updates in the Nordics and EU.

At the meeting, there will be presentations and representatives from the Agency for the Cooperation of Energy Regulators (ACER), the Nordic Transmission System Operators as well as the Nordic Energy Regulators.

The meeting is open for stakeholders and other interested parties.

A draft programme will be published shortly.

If you are interested in participating, please **register** at the Danish Utility Regulator on post@forsyningstilsynet.dk stating full name, title and company details and mark your email: “Nordic stakeholder meeting on cross-border capacities”. Registrations are open until 1 December 2019 on a first come, first serve basis.
